Sociology

The Sociological Approach

Year 10 Autumn Term 1

This unit will introduce key sociological concepts and perspectives and help lay the foundations for a knowledge rich learning journey over the two year course. You will look at key issues in Britain today and explore alternative viewpoints of their causes. This will develop your empathy and understanding of the world in which you are a part of. You will start to build the skills of critical analysis and debate.

TUDOR HABITS AND VALUES: You will be developing your kindness and empathy, by understanding how different factors may influence peoples life chances. Developing the skill of debate will help develop your ability to show tolerance to views that are different from your own.

VOCABULARY: Ascribed status, achieved status, consensus, conflict, norms, values, socialisation, patriarchy.
